

Dear friends,

Thanks so much for choosing to read *STILL LIFE* for your book club. I hope this kit provides an extra element of fun and connection to the story. I would love if you'd share your pictures with me for social media using the hashtag #stilllifepictures or email them directly to me and I'll share them on my FB Page. My email is [dani@danipettrey.com](mailto:dani@danipettrey.com)

Each photo prop item was carefully chosen, and ties directly to the story either in theme, setting, or discussion. Would love to hear what your favorite is. It's a tough choice, but I think I love the anchor best as the blue really pops and I'm a nautical girl at heart. I love everything to do with the ocean, the Bay, and boats. I grew up sailing in the Chesapeake Bay, so it was extra fun sharing about the Bay in the Chesapeake Valor series. Feel free to have a blast with the props either through the scavenger hunt and/or the props for individual or group photos. Can't wait to see all the pictures showing up over social media.

Thanks again for choosing to read *STILL LIFE* for your book club or simply amongst friends. I deeply appreciate your support and I hope you enjoy celebrating Parker and Avery's adventure with the included photo props.

God bless,

Dani
